

Visual Merchandising (Creo™)

Applicable Products:

CR Double Pole
(Two-Section)

**NOTE: Most upright components must be installed before completing unit assembly.
End user determines component location.**

1. Press bottom crossbar into base upright channels (fig. A).
2. Slide uprights over base uprights and tighten knobs to secure, using cone top as a tightening tool (fig. B).
3. Attach next upright to lower upright and tighten knobs to secure, using cone top as a tightening tool (fig. C).
4. Press top crossbar into upright channels (fig. D).
5. Slide cones over uprights and tighten cones to secure (fig. E).
