

Exhibitor Products (Pop-Up Presto Frame™ Lights)

Applicable Products:

PFKLLK Lights

1. Working in front of the frame, snap crossbar brackets onto frame to attach crossbars (fig. A/B/C).
2. Attach lights to crossbars by pressing velcro tabs on lights onto corresponding velcro tabs located on the crossbars (fig. D/E/F).
3. Connect female-to-female cords in between each set of light bars that are located in the same series (fig. G/H).
4. Connect female-to-male cords from lights to outlet to complete unit assembly (not shown).

Note: Unit may differ from model shown below, but assembly is the same.
