Value Driven

American Made

since 1919.

Our customers increasingly recognize the importance of integrating graphics into their retail environments. Graphics grab attention, set the tone, and convey critical messages. With hanging, standing and wall mounted solutions, our dedicated staff of inside sales people and designers are ready to work closely with you to ensure your project is a success.

We pride ourselves on listening carefully to our customers and working closely together. Challenge us. We have 100 years of experience, know how, and existing tooling. And though functionality, durability and clean design are guiding company principals, no criteria is more important than providing value. We engineer value into everything we manufacturer.

Testrite is an American manufacturer with an extraordinary reputation for quality, value and reliability. Because we manufacture in the U.S., our supply chain is shorter, "greener," and we can offer customizable solutions.

We look forward to working with you soon.

Sincerely,

Jeffrey Rubin, President
Larry Rubin, CEO

Mightee Mounts™

Modern Frameless Design

Adjustable Depth

Holds any Rigid Substrate up to 1" thick

(as long as it holds its own weight)

Display graphics and attract buyers with single or double sided graphics. Our unique M shaped Steel Base assemblies accommodate up to 1" thick substrates.

Interior holes with carriage bolts and wing nuts support any rigid graphics. Make matching holes in graphics or use without holes by sandwiching graphic above the carriage bolts.

Extremely cost effective; graphics are displayed in a modern frameless fashion. Extremely sturdy as all the weight is centered on the floor.

3-1/2" Height off floor, 9" front to back.

A PRODUCT BOOK

This catalog strives to show exactly how our products are made and work, by specifying construction. We welcome your feedback.

CUSTOMIZATION

This catalog is an Idea Book. As we manufacture most everything in house, many products can be customized to specifications.

FROM CONCEPT TO ROLLOUT

We are ready to help take your idea from sketch to fully rolled-out solution. We have extensive CAD, prototyping, and logistical capabilities.

Terms: Open terms are strictly 1% 10 days, net 30 days, FOB factory, Hackensack, N.J. pending credit approval. Find credit application on website. Custom products are normally paid for at time of order, and are non-cancelable.

Shipping: Via UPS and truck, FOB factory, Hackensack, N.J. Standard catalog products normally ship in 2-3 days in small quantities, 7-17 days for large quantities. Custom product lead times vary. Drop & blind shipping available.

Orders: Email: Orders@Testrite.com, Phone: 201.543.0240. Fax: 201.543.2195, Sales, customer service & technical representatives are available. Full support is available in English, Spanish & Portuguese. **EDI** available for frequent purchasers.

Custom Products: Quotations for "Specials" are offered quickly and are encouraged. Please fully test your custom product by getting a sample before ordering. Lead times are typically under promised and over delivered.

Samples: Samples are available and can be quoted on request.

Prices: Recommended "List" prices are established for all catalog items and deep re-seller discounts are available. Current pricing is on website in the customer log-in section. Prices are subject to change &/or typographical error.

Country of Origin: Over 96% is made in the U.S. including all the aluminum, steel, tubing and castings. Some components such as travel bags, plastic parts are imported.

Disclaimer: Purchaser determines suitability of all product usage and assumes all risk & liability. Neither the seller nor manufacturer shall be held liable for any injury, loss or damage from use of such product.

Product Specifications: Subject to change due to our continuous improvement program and material or commodity shortages.

Catalog Errors: The catalog has been reviewed to present information and prices as accurately as possible. If an error is found in description or price, we reserve the right to correct it. PRICES ARE SUBJECT TO CHANGE AT ANY TIME.

Returns: For standard catalog items only. A 25% restocking fee plus freight must be paid in both directions. Please call our customer service for a written return authorization. No returns will be accepted without such authorization. Custom products are usually not returnable.

Damages & Shortages: Please report these within 48 hours. Note all problems on Parcel Manifest or Bill of Lading when signing.

In Summary We pride ourselves on working closely with our customers and responding to their needs. Our entire staff is dedicated to ensure quality and service. Rely on Testrite® for well designed product, short lead times, and value price points.

LIFETIME WARRANTY

Testrite offers a limited lifetime warranty against defects in materials or workmanship affecting the quality and function of its products when used in the correct manner.

The determination is solely Testrite's and its obligation shall be limited to providing replacement parts.

Lightbox warranty differs and is available on our website.

COLOR POWDER COATING CHOICES

Matte black and satin silver are our standard color choices, but we can match most PMS specified colors.

GREEN POLICY

Input: Aluminum, steel and corrugated are our major material components.

25% of our Aluminum currently comes from recycled billet, and will increase as more becomes available. Steel recycled content currently averages 58%. Corrugated medium and liner board (boxes) currently average 70% recycled content.

Where: As a U.S. manufacturer, Testrite utilizes local suppliers reducing transportation impact. The carbon footprint of a Toyota Prius built in Asia is greater than a Chevrolet Suburban.

Design: Many of our designs are telescopic, facilitating less packaging and transportation.

Process: 88% of our scrap metals are recycled. 60% of our corrugated waste is converted into usable packaging. We will recycle our brand products no charge if returned to us by customers.

Quality: Testrite products have always been known for extraordinary reliability and therefore have longer lives than our competitors' products. If our products last longer, the carbon footprint is therefore less. Product life impacts the environment more than any other factor.

Our policy is to run our business with our earth in mind.
