

# SignPost Double Upright™ - YDU Series

For ALL 96" units (YDU8 Series) or taller, the uprights are split in two sections. Each bottom section has a pre-attached joining tube sticking out of the top end.

1. Attach upright (or bottom section of two-section upright) to base using hex screws provided. Align pins with underside of upright as shown below.
2. **FOR THE TWO-SECTION UPRIGHTS ONLY:** Connect the upper section of the upright to the lower section using the two screws provided, as shown below.
3. Place plastic cap on top of upright to complete assembly.
